RE: Scholarship Application

Dear Ms. Fischer:

I am writing to submit my application for a scholarship from Edu-Tech University's Financial Aid Program for the fall semester 2014. Presently, I am a first year student in the Master of Computer Science program. Attached is a copy of my first semester's results for your approval. I am also attaching a copy of my high school grades to verify my diligence in my studies.

I am currently dealing with some financial difficulties, and am unable to pay my fees for the fall semester. I have designs to obtain a part-time position in order to finance my studies, but it will likely not be enough to cover the whole tuition and accommodation fee in addition to my normal living expenses. Based on my financial situation, I am requesting a student scholarship so that I would be able to carry on with my studies while I work to better my circumstances.

Thank you for your consideration. If you require any further information regarding my application, you may contact me anytime at (555) 555-0149. I will contact your secretary to follow up with you in the coming week.

Sincerely,
(Signature)
